

Accessibility Statement for joeyratcliff.com

This is an accessibility statement from Joey Ratcliff, Ed.D. I am committed to providing a website that is accessible to the widest possible audience, regardless of circumstance and ability. I aim to adhere as closely as possible to the Web Content Accessibility Guidelines (WCAG 2.1, Level AA), published by the World Wide Web Consortium (W3C). Conformance with these guidelines will help make the web more user friendly to everyone. While I strive to adhere to the guidelines and standards for accessibility, it is not always possible to do so in all areas of the website and I am currently working to achieve this. Be aware that due to the dynamic nature of the website, minor issues may occasionally occur as it is updated regularly. I am continually seeking solutions that will bring all site areas up to the same level of overall web accessibility.
